# Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

### 1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

### 2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

### 3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

**Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.**

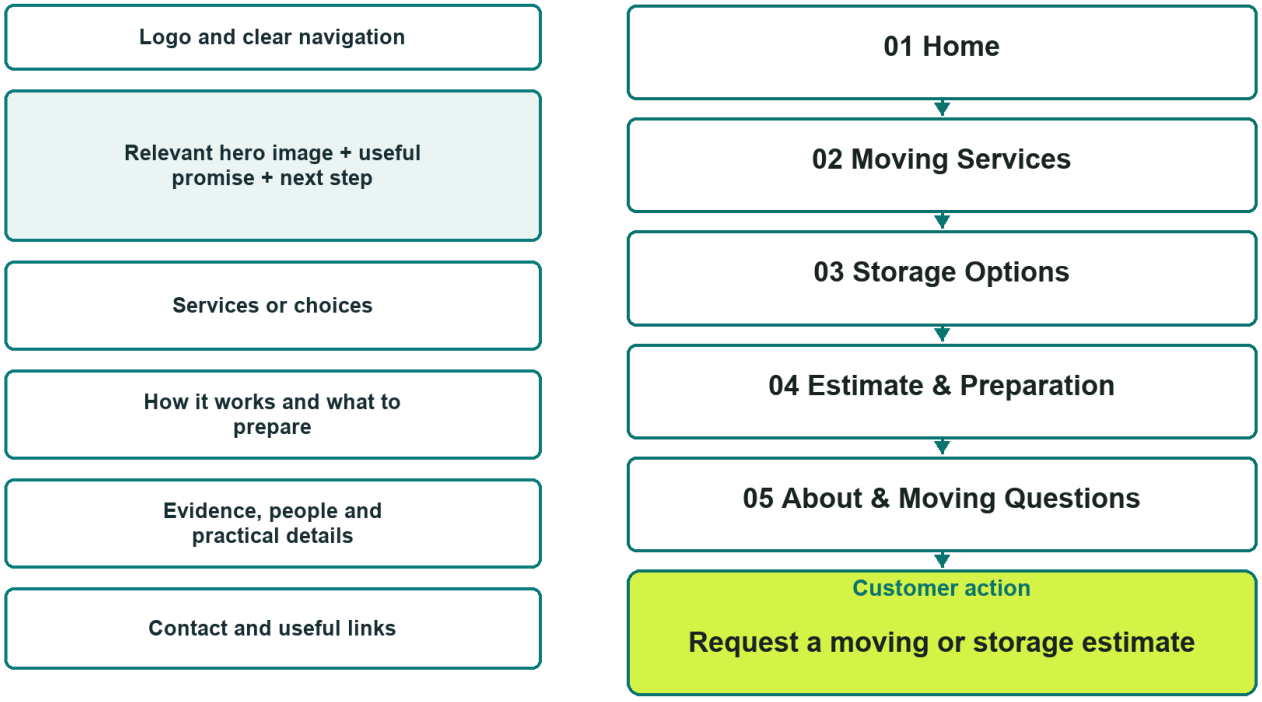

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

# Moving & Storage Services Website workbook

A practical workshop for a 5-page website. Study the example, plan the content and draft your own version in Word or on paper.

## Plan → Draft → Build → Test

Capture edition: five genuine unpublished Website Builder desktop excerpts. The cover wireframe remains illustrative.

# Before you build

Your business supplies the facts. Prairie Passage Moving is a fictional teaching example, not a live service.

- ☐ Request a moving or storage estimate
- ☐ Verified business identity and current contact information
- ☐ Clear request and confirmation process
- ☐ Choose original photographs and confirm permission to use them.
- ☐ Keep private customer records out of public website forms.

# 01 Home

Give this page one clear job in the customer journey.

Unpublished Website Builder desktop excerpt. Page content continues below.

**Sample wording — adapt and verify**

**Your move starts with a clear plan.**

Tell the team about the type of move or storage enquiry you are planning. The coordinator reviews the details and explains the estimate process before dates or space are confirmed.

Contact the team to discuss your questions and confirm what happens next. Please wait for a direct response before making arrangements.

Suggested button: Request a moving or storage estimate

**Website advice**

Separate moving, packing and storage enquiries, outline estimate steps and explain what must be confirmed before dates or space are reserved.

# Your draft: Home

Write in the voice of your own business. Use facts you can verify, not promises copied from the example.

**Headline and short introduction**

**Main content and details visitors need**

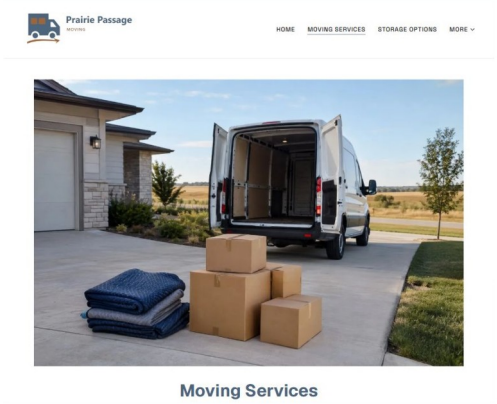

**Button wording and destination**

**Photo choice, permission and facts still to confirm**

Partner check: can someone unfamiliar with the business find a useful next step?

# 02 Moving Services

Give this page one clear job in the customer journey.

# Test before publishing

Review the whole journey on a desktop and phone. Check links, image framing and demo-form privacy before launch.

- □ Fictional business example only. Verify service area, capacity, insurance, handling limits, prices and terms with the operator; do not collect access codes or identity documents publicly.
- □ Verify contact routes, hours, location and every offered service.
- □ Remove invented prices, claims, testimonials and availability.
- □ Keep sensitive records and payment details out of ordinary public forms.
- □ Check all image permissions, downloads and page links on a phone.
- □ Check every link, form destination, download and confirmation message.
- □ Check logo contrast, hero framing, text sizes and image loading.
- □ Save a named backup and assign a content-review date.
