Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

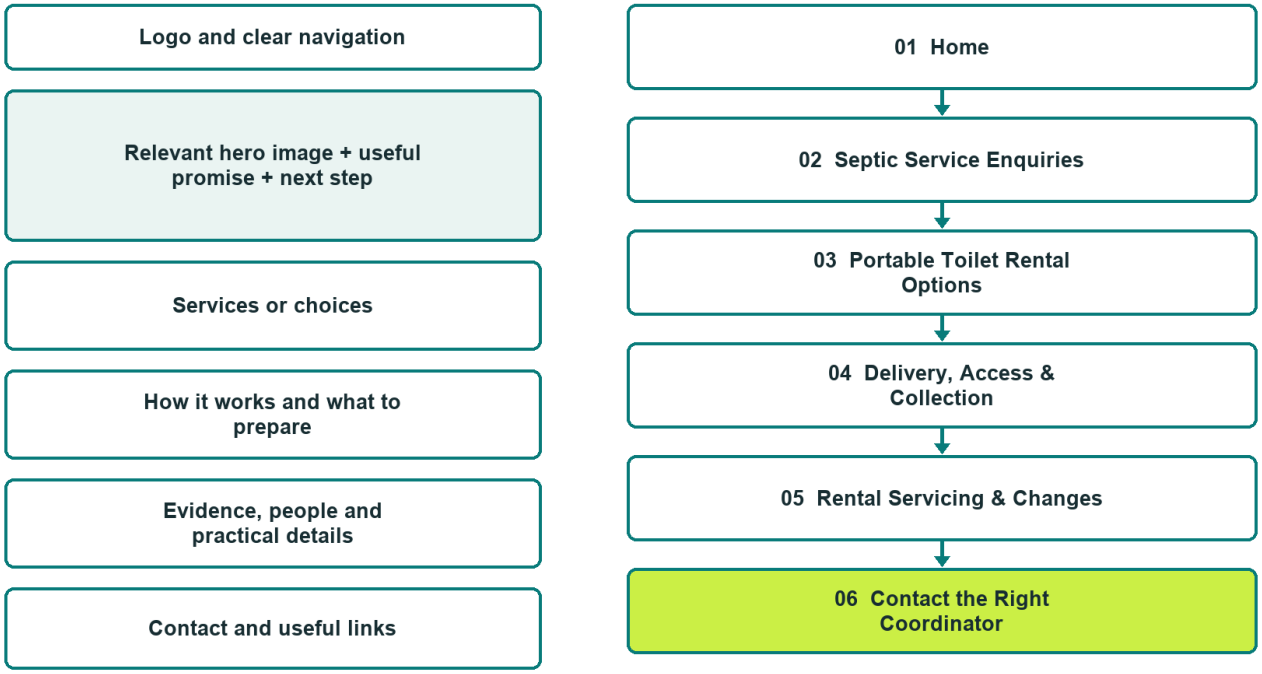

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

Septic Services & Portable Toilet Rentals Website workbook

A practical workshop for a 6-page website. Study the example, plan the content and draft your own version in Word or on paper.

Plan → Draft → Build → Test

Finished-demo edition: authentic desktop captures from the unpublished Prairie Site & Septic Website Builder demo. The front-page wireframe remains a planning illustration.

Before you build

Your business supplies the facts. Prairie Site & Septic is a fictional teaching example, not a live service.

- ☐ Contact the coordinator
- ☐ Verified business identity, services and current contact information
- ☐ A clear enquiry, review and confirmation process
- ☐ Choose original photographs and confirm permission to use them.
- ☐ Keep private customer records out of public website forms.

01 Home

Give this page one clear job in the customer journey.

Authentic Website Builder desktop capture • unpublished fictional demo

Sample wording — adapt and verify

Two service paths. One clear place to start.

Choose septic service for an existing property system or portable sanitation for an event or worksite.

Each enquiry asks different questions so the coordinator can review access, scheduling and the scope before agreeing to a visit or rental.

Suggested button: Contact the coordinator

Website advice

Distinct septic-service and portable-toilet rental paths, with site access, rental dates and accepted work confirmed by the operator.

Your draft: Home

Write in the voice of your own business. Use facts you can verify, not promises copied from the example.

Headline and short introduction

Main content and details visitors need

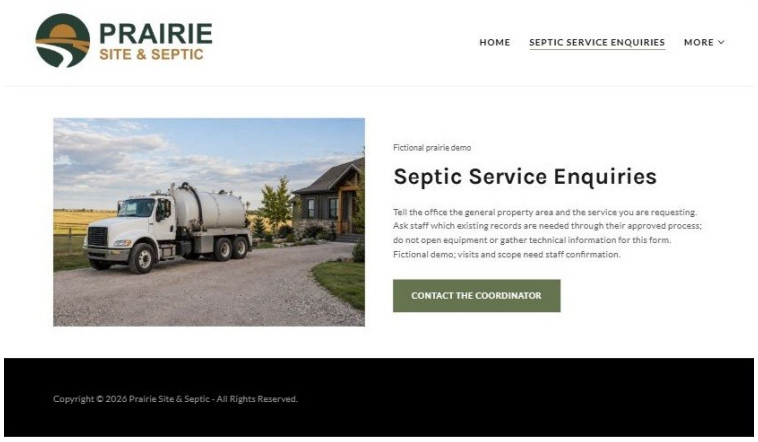

Button wording and destination

Photo choice, permission and facts still to confirm

Partner check: can someone unfamiliar with the business find a useful next step?

02 Septic Service Enquiries

Give this page one clear job in the customer journey.

Sample wording — adapt and verify

Septic Service Enquiries

Tell the office the general property area and the service you are requesting.

Ask which existing records or location details staff need through their approved process; do not open equipment or gather technical information for this form.

Suggested button: Contact the coordinator

Website advice

Describe accepted property-service categories and route system-specific questions to qualified staff without diagnosing problems.

03 Portable Toilet Rentals

Give this page one clear job in the customer journey.

Authentic Website Builder desktop capture • unpublished fictional demo

Sample wording — adapt and verify

Portable Toilet Rentals

Describe the gathering or worksite, approximate attendance or workforce and requested rental dates.

The coordinator can discuss the unit categories offered and which further details are needed to prepare a proposal.

Suggested button: Contact the coordinator

Website advice

Present only verified unit categories and clarify that quantity, suitability and dates require coordinator review.

04 Delivery & Collection

Give this page one clear job in the customer journey.

Authentic Website Builder desktop capture • unpublished fictional demo

Sample wording — adapt and verify

Delivery & Collection

Explain who will meet the driver and whether the location has known access restrictions.

Delivery, placement review and collection arrangements are agreed directly with the operator before a rental is confirmed.

Suggested button: Contact the coordinator

Website advice

Gather logistical questions without publishing placement instructions or assuming every site is accessible.

05 Servicing & Changes

Give this page one clear job in the customer journey.

Authentic Website Builder desktop capture • unpublished fictional demo

Sample wording — adapt and verify

Servicing & Changes

Ask what servicing is included in the proposed rental and who to contact if dates or attendance change.

Extensions and extra visits must be reviewed and confirmed; a message alone does not alter the rental agreement.

Suggested button: Contact the coordinator

Website advice

Explain agreed service visits, extension requests and change communication with no operational waste-handling detail.

Your draft: Servicing & Changes

Write in the voice of your own business. Use facts you can verify, not promises copied from the example.

Sample wording — adapt and verify

Contact the Coordinator

Select septic service or portable sanitation rental, then provide a broad location and safe reply method.

The appropriate coordinator follows up about suitability, quote details and the next step without treating your enquiry as a confirmed dispatch.

Suggested button: View demo enquiry form

Website advice

Give customers separate non-sensitive enquiry routes for an existing property and a temporary rental.

Test before publishing

Review the whole journey on desktop and phone. Use the paired captures, Editor Highlights, Themes and separate Paint gallery on the industry page, then test your own site before publishing.

□ Fictional demonstration only. Verify accepted services, access requirements, rental terms and service areas. No septic diagnosis, waste-handling instructions, placement rules, emergency response promise or compliance advice is provided.

□ Verify every service description, contact route and operating detail.

□ Replace fictional identity and example information before a live launch.

□ Test enquiries, links and downloads on desktop and mobile.

□ Keep confidential records in approved private systems.

□ Obtain operator approval for public wording and images.

□ Check every link, form destination, download and confirmation message.

□ Check logo contrast, hero framing, text sizes and image loading.

□ Save a named backup and assign a content-review date.
